PRESIDENT'S MESSAGE

Dear Members and Friends of the Philadelphia Chapter:

“Wow!” is the word to describe the tax update given by Pam Wenner and Marian Derr. I always say as long as there is a Congress we accountants will have jobs. It always amazes me how much so few can do in a year to make things “simpler” for us. The tax update was very informative and gave us a taste at what is happening both at the individual and business level. I think kudos must be given to all accountants that try to keep track of everything that our government decides to do during a year so that we can provide the best service to our amazing, diversified and oh so creative clients.

Our 2009/2010 Mentor/Mentee program is off and running and they have picked a great book that I think we as a chapter should all read. If you are not part of the program this year I encourage you to get your application in early, as these ladies are all about having a good time while learning from each other. To keep up on what our teams are doing join us on Facebook to keep abreast of the activities.

Tick, Tock, Tick, Tock time is running out for those scholarship applications, and just a hint, we only have one application so far, so your chances of winning are pretty darn good. Mentors please encourage your mentees to apply for our scholarship. Applications for the scholarship are available on our website. All **applications are due February 2, 2010.**

Remember to join us on LinkedIn ASWA-Philly group. We are trimming the emails you will receive and posting more of our information on LinkedIn, so check it out.

Our next major event is our 70th Anniversary Celebration. We need volunteers to man the different committees to make this event a fabulous success as only we in Philadelphia can make it. Ladies and gents, if you are new to us as a group, this is a great way to help with something that is going to be phenomenal. Even if you have an hour just to attend a meeting, we would love your input. We will be reaching out to you to help with the different committees. Please remember it is a committee so you are not on your own.

The weather is cold and sometimes it snows like today but we accountants do not mind as we are office bound until the new leaves of spring open up. I hope everyone had a great Holiday and that you are looking forward to a Prosperous New Year.

As always, we have great ideas and great expectations, but it takes the continued support of you, our members, to make these ideas and expectations come to fruition.

See you at our Women Healthcare Issues meeting in February.

Very truly yours,

Renée Cooper
President of the Philadelphia Chapter

Dear Members:

I am contacting you as a current or past member of ASWA. Our Planning Committee, headed by Kathleen Brunner and Pam Wenner, is working on a **70th Anniversary** celebration scheduled for June 17, 2010. Of course, we expect you to join in the festivities and so mark your calendar. As you are the reason our chapter in **Philadelphia is the third oldest American Society of Women Accountants Chapter in the country**, it is most important to get everyone who is or has been a member to participate. Because of your involvement over the years, you have enabled us to support the theme of this Celebration, which is **"70 years of Empowering Successful Women"**.

I have been asked to head the subcommittee pertaining to capturing the History of our Chapter and Honoring Outstanding Members who exemplify our theme in **"Empowering Successful Women"**.

Here is what we need:

- 1) Pictures (give dates, event, and names of members and others noted), documents and programs for events you may have kept, memorabilia, and any other notable items that we can scan or display at the event.
- 2) Your nomination and bio of a member who you feel should be recognized as an outstanding member who exemplifies our theme for the evening. Our committee will choose the specific Honorees, but we hope to spotlight each in the program or pictorial presentation of some kind.
- 3) A quote from you as a member as to what ASWA has meant to you personally that captures the essence of our theme so that we can share with those non-members in attendance that evening. We hope to provide insight as to why the Philadelphia Chapter of ASWA has continued to exist for 70 years and beyond. Please provide the years in which you have been a member and some of the titles and committees you have participated in during your membership.

If you are interested in working on this committee and sharing your talents and ideas of presenting these valuable ASWA treasures to our attendees, I welcome the assistance. If you cannot spare the time for formal participation, **please take a little time at home to seek out the treasures you have saved and memories you can share.**

Please contact me no later than **January 31th** to let me know what you have to send, and to discuss how and when it will be sent. I would appreciate your nominations as soon as possible but no later than the **31th** as we are starting to work on invitations and sponsorship requests for the event and need to have the plan of the evening solidified as soon as possible. I will send reminders for the quotes as we get our committee solidified and have some extra hands and talents to make this all happen.

Please take the time now before most of us hibernate in our offices for the busy season and haven't the time to work on this until after April 15th. I look forward to hearing from you and know that ASWA holds a special place in all of our hearts.

Don't forget to pass this along to your old ASWA buddies, who we may have lost contact with, I am sure they have past memories to share.

Lori McKeage

Immediate Past President

Our Sponsors

One of the goals of ASWA is to give back, reach out a helping hand to the aspiring accountant behind us and help them attain our level. Without our sponsors we would not be able to give back as much as we have. Every time a meeting is sponsored both for the location and the food, the meeting fees collected goes towards our scholarship fund. As such we are able to give a scholarship to a needy accounting student so that they may fulfill their dream of becoming an accountant. We give thanks to the following individuals and companies who have contributed to our goals during the past year:

Mary Duff – Duff Accounting Solutions

Lyn Kremer

This month we thank

2010 Philadelphia Women in the Boardroom

Women in the Boardroom, formerly known as Women on Boards, is an executive leadership event designed to assist in the preparation of board service – better qualifying you and connecting you with the right people and resources. Our panelists are executives with for-profit board experience and a desire to share their knowledge and necessary tools for serving as a director. Although the focus is for-profit boards, much of the knowledge gained can be applied to non-profit service.

Having originated in 2002 in a single city, Women in the Boardroom has now become an annual event, scheduled to be in 15 cities in 2010. Don't let the name fool you. All current presidents, directors and professionals in leadership roles – men and women – are encouraged to attend as an opportunity to mentor, learn from each other or find their next great executive or board member.

The event begins with a two-hour panel presentation and Q&A. Topics of discussion include:

- Role of being a director
- Differences of a non-profit, private and public board
- Board selection process
- Being an effective board member
- Positioning yourself for board service/taking the next step

The role of women on boards continues to evolve, as have all other leadership roles for women in business. In today's corporate climate of increased scrutiny of board governance, boards of directors are being held more accountable than ever. Composition is being closely watched and CEOs and directors are frequently broadening their search for new board members to include women and minorities.

Currently, women represent only 15.2% of Fortune 500 company board membership and Women in the Boardroom is out to change that!

Panel Includes: Doreen Wright – Former Senior Vice President & Chief Information Officer, Campbell Soup Company; Maureen Breakiron-Evans – Retired Chief Financial Officer, Towers Perrin; (additional panelist to come); *Facilitator:* Elva L. Bankins – Senior Partner, Kelleher Associates LLC

For information on the panel, visit the [Women on Boards](#) website
